## Hooverphonic

Saw her first  
Few months ago  
Spacing in Vienna  
Oversea cargo  
Saw her in the mirror  
She has a stupid name  
Maybe I'm too honest  
Friendly in an arrogant way  
Saturday evening  
She gave me her number  
I lost it already  
She awakens my hunger  
Saw her in the mirror  
She has a stupid name  
Maybe I'm too honest  
Friendly in an arrogant way  
Saw her first  
Few months ago  
Spacing in Vienna  
Oversea cargo  
Saw her in the mirror  
She has a stupid name  
Maybe I'm too honest  
Friendly in an arrogant way
