

Smash It Up!

The (International) Noise Conspiracy

I want to smash it up for all the workers
Who spent hours into nothing
I want to smash it up for all my sisters
Who got caught up in this funky system
I want to smash it up just like a locust
Like a satellite shooting rockets
I want to smash it up in every way I can
And right now I think I want to be your man
Smash it up yeah when I'm down
I want to smash it up for all the
kids who
Who got fucked up just like their parents did
I want to smash it up, the gods and masters
Who made us die so much faster
Yeah yeah you know I want to smash it up
Yeah yeah you know we gotta smash it up
Yeah yeah come on pretty smash it up
Everybody right now come on everyone
Smash it up yeah, when I'm down
Smash it up yeah, when I'm down
Smash it up yeah, when I'm down
I want to smash it up for all the people
And for our right to be, to be treated equal
I want to smash it up for all my friends
I hope you stick around until the very end
Yeah yeah you know I want to smash it up
Yeah yeah you know we gotta smash it up
Yeah yeah everybody wants to
(Smash it up)
Come on every one right now yeah
Smash it up yeah, when I'm down
Smash it up yeah, when I'm down
Smash it up yeah, when I'm down
I want to smash it up
I want to smash it up
...
