

# See Ya

## Atomic Kitten

Yeah, yeah, yeah, ooh  
Oh, baby  
Yeah, yeah, yeah  
Check it out now, ooh  
Baby, check it out now I've been looking and been searching, oh baby  
For the one who'll be true  
(Oh, yeah, ooh)  
And I thought that I had found him, oh, boy  
But now I know it's not you  
(Oh, yeah, ooh) 'Cos you can see me running  
But you're standing still  
You don't believe it's coming  
But you know that it will So, baby, see ya, all right  
(Oh, yeah)  
I wouldn't wanna be here tonight  
Let me make it clear, all right  
You're not the one for me, yeah  
Yeah, yeah, yeah We'll there's plenty more where you came from  
So I think I'll go fish  
(Oh, yeah, ooh)  
'Cos there's a great big ocean out there and, boy  
You're not my favorite dish  
(Oh, yeah, ooh) 'Cos you can see me sinking  
Like I told you so  
I need a new direction  
But you won't let me go So, baby, see ya, all right  
(Oh, yeah)  
I wouldn't wanna be here tonight  
Let me make it clear, all right  
You're not the one for me, yeah  
Yeah, yeah, yeah (Ooh)  
(Check it out now)  
'Cos you can see me running  
But you're standing still  
You don't believe it's coming  
But you know that it will So, baby, see ya, all right  
(Oh, yeah)  
I wouldn't wanna be here tonight  
Let me make it clear, all right

You're not the one for me, yeah  
Yeah, yeah, yeah  
(Oh, baby) So baby, see ya, all right  
(Oh, yeah)  
I wouldn't wanna be here  
(Yeah, yeah, yeah)  
Let me make it clear, all right  
You're not the one for me, yeah  
Yeah, yeah, yeah  
(Ooh)
