

The Marshall Plan

Blue Oyster Cult

In a dark horse town, in the middle of the West
Where Friday takes so long to arrive
Johnny wakes up dreaming, turn's on the radio Then he jumps up plays his guitar in the mirror
Starts his day with a Rock and Roll pose
Tonight's the night that Susie and he
Are going to a Rock and Roll show Tonight, I'm gonna see some Rock and Roll
Yeah, my favorite group is playing
Tonight, I'm gonna see some Rock and Roll Well, it's showtime and he's caught up in the crowd
He hates the crush but he loves the music loud
He reaches out and Susie's disappeared Now Johnny's standing on a corner after the show
Looking for his Susie dear
But there goes his Susie in the band's limousine
Yeah, well that's the way it goes at these Rock and Roll shows That's the way it goes, it's Rock and Roll
That's the way it goes, it's Rock and Roll Now Susie's gone, and Johnny hears the thunder
As he rolls another number and he counts
He counts the times he's felt himself to be the hero 'Cause ever since he was a boy he's heard about adventure
As he looks into the mirror now he knows
He must be the star and play guitar like thunder
Find Susie at his Rock and Roll show Boy, if I only had a good guitar and a big amp
Boy, it wouldn't be somebody else taking my girl away, tell ya
I know what I should do, and I'll put an ad in the paper
Get a few other guys who want to play as much as I do Tell ya, I ain't playin' no surf music, I'm gonna play
some heavy music
I'm gonna play bad, I'm gonna play loud
I know just what I want it to sound like
It's gonna sound like, it's gonna sound like This is Don Kirchner and tonight on Don Kirchners rock concert
A new phenomenon in the music world
With six million albums to his credit in just two short years
My good friend, here's Johnny Now Johnny became a legend in his time
Found it easier to live in pain
Half a hero in a hard-hearted game Now it's showtime and he's caught up in the flow
He hates the rush but he needs the music so
Still he reaches out but Susie's disappeared
Well, that's the way it goes at these Rock and Roll shows It's Rock and Roll, that's the way it goes
It's Rock and Roll, that's the way it goes
It's Rock and Roll, that's the way it goes
It's Rock and Roll
