It's Your Birthday

Nina Storey

It's your birthday and I'm calling just to say that you belonging,
You're the hero in the portrait of the picture that I hold.

It's your birthday and I'm calling just to say that you belonging,
Every moment is a memory of this day that's always yours.

Listen to the voice inside you,through the years till you become, who you are and who you'll be, will unfold as life goes on. It's a turning point embrace it, it's your turn you got to find every colour of the rainbow, is the colour in your life

It's your birthday and I'm calling just to say that you belonging,
You're the hero in the portrait of the picture that I hold.

It's your birthday and I'm calling just to say that you belonging,
You're the hero in the portrait of the picture that I hold.
