

Coquette

Fats Domino

Tell me why you keep foolin' little Coquette
Makin' fun of the one who love you
Breakin' heart you're rulin' little Coquette
True hearts tenderly dreamin' of you
Oh
Oh someday you fall in love
As I fell in love with you
Baby the one you love will just be foolin'
And when you are alone with only regrets
you know little Coquette I love you
OhOh someday you fall in love
As I fell in love with you
Doo doo
Baby the one you love will just be foolin'
And when you are alone with only regret
You know little Coquette I love you
