

Taxi Taxi

BlÃ¼mchen

All these streets are never ending
Tie them in a knot
Drive me through a red light waiting
For everyone to stop
Sing to me like Pavarotti
Sing to me of Spain
Take me to you operetta
And make it rain
Taxi, taxi give me a ride
I'm gonna take you to the other side
Taxi, taxi, turn off your lights
I'm gonna ride with you all night
Take me to your meditation
Take me to your door
Show me love's sweet revelation
Lying on your floor
Hold me in your arms forever
Take me to the end
Drive me to the edge of nowhere
And sing again
Taxi, taxi give me a ride
I'm gonna take you to the other side
Taxi, taxi, turn off your lights
I'm gonna ride with you all night
You're as cool as Colorado
And Orpheus on fire
Crash the car into a rainbow
Here with me tonight
All the satellites are shining
In the starry sky
And I can feel your arms surround me
Higher and higher
Taxi, taxi give me a ride
I'm gonna take you to the other side
Taxi, taxi turn off your lights
I'm gonna ride with you all night
Taxi, taxi
Taxi, taxi
Sing to me like Pavarotti

Sing to me
Taxi, taxi give me a ride
I'm gonna take you to the other side
Taxi, taxi turn off your lights
I'm gonna ride with you all night
Taxi, taxi give me a ride
I'm gonna ride with you all night
Taxi, taxi
I'm gonna ride with you all night
I'm gonna ride with you all night
I'm gonna ride with you all night
I'm gonna ride with you all night
Taxi, taxi
I'm gonna ride with you all night
Taxi, taxi
I'm gonna ride with you all night
I'm gonna ride with you all night
I'm gonna ride with you all night
Taxi, taxi
