Heartbreaker

The Riff Randells

She's so hot, she's so fine
I thought it out a thousand times
It's dangerous, no fear
But what she wants, I got right here
I'll bite and howl and tear her to bits, yeah
She is the one to scratch my itch
Oh yeah, she's my pill, she's my fix, oh yeah
Give me one more night
Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker
Give me one more night
Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker, alright
Lone walk, long stroll
So what, it's bought and sold
Ten to one, but no chance
I took the odds for the Devil's dance
I sealed the deal and she said, "Yes"
So, I put my hands right up her dress
And she said, "What's been taking you so long"
Give me one more night
Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker
Give me one more night

Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker, alright
'Til then, give me one more night
Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker
Give me one more night
Heartbreaker
Down on your knees
Heartbreaker
Just one more night
Heartbreaker
Is all that I need
Heartbreaker, alright, oh yeah
Oh, heartbreaker, c'mon
Oh, heartbreaker
