Since Jesus Came Into My Heart (LP Version)

Randy Travis

What a wonderful change in my life has been brought
Since Jesus came into my heart
I had lied in my soul for so long I have sought
When Jesus came into my heartSince Jesus came into my heart
Since Jesus came into my heart
Floods of joy fill my soul like
When sea billows roll
Since Jesus came into my heartFloods of joy filled my soul like when sea billows roll
Since Jesus came into my heart
