Love Is Alive

Joan Osborne

Well, I think it's time to get ready
To realize just what I have found
I have been only half of what I am
It's all clear to me nowMy heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is aliveThere's something inside that's making me crazy
I'll try to keep it together
But what I say may not happen the same way
Now could mean foreverMy heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is aliveMy love is alive
My love is aliveIs there a movie inside my mind
Reflecting the love that you shine on me
But hold on now to that feeling
Let it go, let it growMy heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is aliveMy heart is on fire
My soul's like a wheel that's turning
My love is alive
My love is alive
