## Massive Attack

Sitting in my day care, it was day-glow painted  
You see me, I'm a drinker, you see me, now I'm sainted  
Chased by the plaintive, haunted by the medium  
Too high to flow, too bored to break the tedium  
Glow from my TV set was blue like neon  
Activate the remote, I put the BBC on  
I've seen this city, so on, I'm looking out for no one  
Pilot in my eye, it gets blue like neon  
It gets blue like neon  
Can't see nothing wrong  
Can't be nothing wrong  
Inside of me  
I walk in a bar, immediately I sense danger  
You look at me, girl as if I was a, a total stranger  
Hysterical, ecstatic [Incomprehensible]  
It's kind of hard to get a drink or just a girl to relax on  
Phono, no, no go zone I go through, aching away just to  
relocate you  
Kill us with your fist, so you mix it with me  
I function better when I get approximately  
High by my technical flyby  
I function better with the sun in my eyes  
I function better with the sun in my eyes  
I function better with the sun in my eyes  
Can't see nothing wrong  
Can't be nothing wrong  
Inside of me  
Take a second of me, you beckon I'll be  
When you're sad I'll mourn  
And when you're down I'm torn  
Take a second of me  
Said take a second of me, I stand firm for our soil  
Lick a rock on foil, reduce me, seduce me  
Dress me up in stussy, will you be my victim?  
Show me where to stick 'em, take a second of me, a second to see  
In my day-care  
On my sofa  
One spliff makes Daddy go sleep  
Makes Daddy go sleep
