Fire in the Sky

Hale

Fire in your eyes you seek
It's always what you've lostLeft alone on a cold dark street
It wasn't what you've hoped forBreakaway from the clouds you see
It's always what's insideWhen you're giving all you've got
But still you bleed
A twist of fate you'll findJust breakaway
I wanna breakaway to the sunJust make believe
I want to make believeYou.....
There's fire in the skyYou....
There's fire in the sky**Just breakaway
I wanna breakaway to the sunJust make believe
I want to make believeYou.....
There's fire in the skyYou....
There's fire in the skyYou...
You...
You...
You...
