Infatuated (feat. LaTocha Scott)

Jacquees

You make me feel, so amazin'
Lovin' the things you do
So surreal to me baby
I'd never find someone like you, and now I know that
That it's so real baby
I never thought in a million years, in a million years, oh
It would be you (It would be you)
It would be you (It would be you)
It would be you (It would be you)
It would be you, when I'm infatuatedI'm infatuated (oh woah)
So infatuated (so, oh, oh, oh)
Just can't get you out my mind (can't get, can't get you off mind)
I just can't get you out my mind
So infatuated
Don't test the day
To give me your love (your love)
Cause I'll cherish it like a prized possession
Boy I'll swear you, cause ain't no way (ain't no way)
You ain't got nobody,
just don't believe it (you don't, I don't believe it)
Just can't believe it (can't believe, can't believe, can't believe)
That it would be you, you (it would be you)
It would be you, woah (it would be you)
It would be my baby, yeah (it would be you)
And for that, I'm infatuatedI'm infatuated
I'm so, so infatuated
I just can't get you out my mind
I just can't get you out my mind
Forgive me, I'm only just speaking my mind
You know that, you know that I'm just half crazy (so crazy)
For you girl, Ill take on an army with your gun
To show you that I care, boy, youAnd I'm so, I'm so, I'm so, so infatuated
I'm infatuated (baby, i can't get you out my mind)
So infatuated (thinkin' bout you every
day, every night, every day, every night)
I just can't get you out of my mind
I just can't get you out of my mind
(can't, I can't, I can't get you out of my mind)
Jacquees sing, yeah, yeah (oh woah)

So infatuated (oh woah)
I'm so infatuated (yeah, oh woah-oh-oh)
