

The Bank of England (Lynx Remix)

Enter Shikari

I refuse to notice the wind or the rain
To teach me of nature would be done in vain
I ignore all
I just contain Predicated on a great disconnect
I don't react and I do not reflect
I just ignore all
I just retain The invisible hand no longer guides, it chokes They blew up the bank of England
The paper burnt for days In the end we all employ sabotage
No room for ethics now, greed is in charge
I ignore all
I just constrain How many barrels are left in the field?
I only care for the coins you yield
I ignore all:
I just obtain
