

Back from the Dead

Dream Evil

Back from a furious
slaughter in painTrapped in this universe
completely insaneNo more confusion
inside his head

Traveled through darkest hellHe's back from the dead
straight back from hellHis mission is obvious
evil and plain

Destruction for all of us
for his own gainNo absolution
from terror and dread

Nowhere to hide from himHe's back from the dead
straight back from hellMaybe we're strong enough
to fight against his rage

Maybe we're strong enough
to live and tell the taleHe's back from the dead
straight back from hell

He's back from the dead
straight back from hell

(Solo)

He's back from the dead
straight back from hell

He's back from the dead
straight back from hell

Back from the dead

Straight back from hell

Back from the dead

Straight back from hell

Back from the dead

Straight back from hell

Back from the dead

(fade out)
