

# Butter & Egg Man

**Louis Armstrong**

Now she wants a butter & egg man  
From way out in the West  
She wants somebody who's workin' all day  
So she's got money when she wants to play  
Now pretty clothes, they'll never be mine  
But what she told me the other day  
I hope she don't change her mind  
Now she wants a butter & egg man  
A great big butter & egg man  
From way down South
