

# That's the Way Love Is

[Billy Crawford](#)

Two people take a vow to be together  
And live, love each other forever  
They promise love a lifetime  
Funny thing then they change their mind  
They both go their separate ways  
And love is just a memory  
Your heart doesn't stay sad long  
Another love soon comes along  
That's the way love is  
Two people don't get along  
Deep down both are feeling very strong  
They try hard to conceal it  
Their heart burns  
They both know they can feel it
