Metallica

Jason, you're too fucking metal man
Too metal for your own good
You guys want some more don't ya
we're just getting warmed up now man
how about some more old shit from kill em all eh
you don't mind if we speed it up some huh?
So, we need to see some action out there if you fucking don't know by now
makes us feel real fucking good
so, uh, get your dancing shoes on.
you know the words follow me motherfucker Adrenaline starts to flow
thrashing all around
Acting like a maniac
(Whiplash) hey man, I need to see some action out there
come on you pussies!
yeah, you guessed it, it's whiplash
one two four three two and a half Late at night all systems go
come to see the show
We do our best, you're the rest
You make it real you know
There is a feeling deep inside
That drives you fuckin' mad
A feeling of a hammerhead
You need it oh so bad Adrenaline starts to flow
thrashing all around
Acting like a maniac
(Whiplash) yeah whiplash Bang your head against the stage
Like you never did before
Make it ring, make it bleed
Make it fucking sore
In a frenzied madness
With your leather and your spikes
Heads are bobbing all around
It is hot as hell tonight Adrenaline starts to flow
thrashing all around
Acting like a maniac
what is it? (Whiplash)
it's fucking whiplash Here on the stage the Marshall noise
Is piercing through your ears
It kicks your ass kick your face

Exploding feeling nears
Now is the time to let it rip
To let it fuckin' loose
We are gathered here to maim and kill
'Cause this is what we choose Adrenaline starts to flow
thrashing all around
Acting like a maniac
(Whiplash) yeah, give it to me one time hey hey hey (hey hey hey hey) yeah, here we go yeah whiplash. get it

It is time to hit the road
Another town, another gig
Again we will explode
Hotel rooms and motorways
Life out here is raw
But we will never stop we will never quit 'Cause you're Metallica Adrenaline starts to flow
You're thrashing all around
Acting like a maniac hey hey (hey hey hey hey hey)
