Wait on time

Blueshaker

Well, I don't live like a king and I don't drive a big car
The gypsy woman was right when she said I would go far
Just wait on time baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and prayWell, you say you'll stick with me, baby
Stick with me through thick and thin
I know someday baby, my bad luck has got to end
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and prayWell, you say you'll stick with me, baby
Stick with me through thick and thin
I know someday baby, my bad luck has got to end
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and prayWell, I live the life I love and I love the life I live
The life I lead baby, is all I have to give
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and prayYeah, you just got to wait on time, baby
Yeah, just wait on time now, baby
Yeah, yeah, be good to me baby
Because until I get there baby, all I can do is hope and pray
