

# Bubblegum

Ian Guerin

Candy sheâ€™s a doll that wonâ€™t sex with me  
Baby sheâ€™s a threat that keeps trippinâ€™ me  
Crazy as it seems I see in my dreams  
She ainâ€™t hard to thrill but sheâ€™s killinâ€™ me

Somebody like you needs someone like me  
Somebody like me fits someone like you

Take me somewhere nice  
Get me Outta here  
Show me what you got  
& give into me  
Let me loose your dress  
Let me kiss your lips  
Show me what you do  
What I do  
What we do  
When we ooh  
Baby feelâ€™s so good  
Baby move

Gimme somethinâ€™ like this

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Cherry sheâ€™s the icing on top my cake  
Frosting sheâ€™s the sweet sleeping in my bed  
Sticky as it feels itâ€™s a carrousel  
She ainâ€™t no pro in the business but sheâ€™s out this world

Somebody like you needs someone like me

Somebody like me fits someone like you

Take me somewhere nice  
Get me Outta here  
Pack your whip & bag  
Hit the road w/me  
Leave them inhibitions bring your fantasies  
(shake them hips)  
Show me what you do  
What I do  
What we do  
When we ooh  
Baby feelâ€™s so good  
Baby move (shake them hips)

Gimme somethinâ€™ like this

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

(Break)

Take me somewhere nice  
Get me Outta here  
Show me what you got  
& give into me  
Let me loose your dress  
Let me kiss your lips  
Show me what you do  
What I do  
What we do  
When we ooh  
Baby feelâ€™s so good

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop

Pop, pop, pop, show me what you got  
Pop, pop, pop, pop it like my bubblegum  
Pop, pop, pop, make me feel like oh my god!  
Pop, pop, pop, pop it till you make it drop
