

# One of My Bad Habits

Waylon Jennings

I gotta quit this smokin'  
It's because of my chokin'  
I gotta quit this drinkin'  
It's been messin' up my thinkin' Baby, you're included in my plan  
You're one of my bad habits  
I'm gonna quit you if I can I gotta quit this cryin'  
'Cause you won't quit your lyin'  
You dig another guy  
And I'm sick and tired of tryin' I'm gonna have to face it like man  
You're one of my bad habits  
I'm gonna quit you if I can I've gotta quit this hopin'  
You'll change and stop this mockin'  
All that you been sayin'  
Was just the game you're playin' Woman, don't be reachin' out your hand  
You're one of my bad habits  
I'm gonna quit you if I can I've gotta quit this hopin'  
You'll change and stop this mockin'  
All that you been sayin'  
Was just the game you're playin' Woman, don't be reachin' out your hand  
You're one of my bad habits  
I'm gonna quit you if I can You're one of my bad habits  
I'm gonna quit you if I can
