

It's Christmas

Planetshakers

Can you feel it in the air?
Joy is everywhere, it's Christmas
Everything is shining bright
Oh what a glorious night, it's Christmas It's the greatest time of the year
It's the greatest time of the year Come on let's celebrate, it's Christmas
Be of good cheer, for Jesus is here
Come on let's celebrate, it's Christmas
So everybody sing
And let the music ring, it's Christmas
There is a reason why
We celebrate tonight
It's Jesus
The greatest gift of all
He came to save us all
He's Jesus
And it's Christmas It's the greatest time of the year
It's the greatest time of the year Come on let's celebrate, it's Christmas
Be of good cheer, for Jesus is here
Come on let's celebrate, it's Christmas
So everybody sing
And let the music ring, it's Christmas
Come on let's celebrate
Come on let's celebrate, it's Christmas
Be of good cheer, for Jesus is here
Come on let's celebrate, it's Christmas
So everybody sing
And let the music ring, it's Christmas It's Christmas
(Gonna celebrate)
It's Christmas
(Let the music ring)
It's Christmas
