Invisibly Shaken

Rodney Atkins

My friends say they?re proud of me
For takin' our break up so casually
But they don?t see what lies beneath my smile
It appears that I?m okay
And I moved on when you walked away
But the truth is since you said goodbye
I'm invisibly shaken and quietly breakin?
Desperately takin? one breath at a time
Beneath this composure, I know it?s over
Baby, I?m dyin' 'cause you can?t be mine
But I will never show the toll it?s taken
'Cause I?m invisibly shaken
If it looks like I don?t care
And it?s not killing me seein' you here
And hearing you say, you wanna try us again
Believe me, it ain?t easy bein' this cool
But too many times, girl, I?ve been your fool
And I know I?d just end up here again
Invisibly shaken and quietly breakin?
Desperately takin? one breath at a time
Beneath this composure, I know it?s over
But baby, I?m dyin' 'cause you can?t be mine
But I will never show the toll it?s taken
'Cause I?m invisibly shaken
Baby, I?m dyin' 'cause you can?t be mine
But I will never show the toll it?s taken
'Cause I?m invisibly shaken
