

I Don't Know How To Love Him

[Andrew Lloyd Webber](#)

I don't know how to love him,
What to do, how to move him.
I've been changed, yes, really changed.
In these past few days when I've seen myself
I seem like someone else.I don't know how to take this
I don't see why he moves me.
He's a man, he's just a man.
And I've had so many men before
In very many ways:
He's just one moreShould I bring him down? Should I scream and shout?
Should I speak of love - let my feelings out?
I never thought I'd come to this - what's it all about?Don't you think it's rather funny
I should be in this position?
I'm the one who's always been
So calm, so cool, no lover's fool
Running every show
He scares me so.I never thought I'd come to this - what's it all aboutYet, if he said he loved me
I'd be lost, I'd be frightened.
I couldn't cope, just couldn't cope.
I'd turn my head, I'd back away,
I wouldn't want to know -
He scares me so.
I want him so.
I love him so.
