Take My Breath Away

Alesso

[Verse 1]
Burning lights
Hangover head
Body high
Swimming in my bed
We ignite
We're slipping legs and[Chorus]
Don't you know you excite me like that
When you touch me like that
Got me running right back
I want it, I want it, I want it, I want it, I want it now
I'm gonna, I'm gonna, I'm gonna, I'm gonna show you how
[Pre-Drop]
Take my breath away
Take my breath away
Take my breath away
Take my breath away
Take my breath away[Drop]
Take my breath away
Take my breath away[Verse 2]
Higher heights
To shallow breaths
Hold it tight
Never, never end
Pull me down
To ecstasy[Chorus]
Don't you know you excite me like that
When you touch me like that
Got me running right back
I want it, I want it, I want it, I want it, I want it now
I'm gonna, I'm gonna, I'm gonna, I'm gonna show you how[Pre-Drop]
Take my breath away
Take my breath away
Take my breath away
Take my breath away
Take my breath away[Drop]
Take my breath away
Take my breath away

Take my breath away
