

# Power of the Dollar (feat. The Game & Jus Cuz)

## Franc Grams

I'm from the hood where niggaz get locked  
For trying to ...this shit  
Skip this school  
It's 8 dollars  
More than scholarship shit  
Mom ain't workin'  
She's searchin' for jobs and shit  
Crack is still high in the man  
Givin' the whole truth  
I'm losing hope soon  
We played on the block for a minute  
My phone blew  
Real niggaz know that money form go often  
Nigga everything stops  
This hustle is mine set  
Yeah, this life is hard  
You will more from a night  
Than you will get  
Bust your ass all week for that little check  
Now I execute this rap shit  
Fluently how I handle  
And these streets  
I'm the best new artist  
No competition at all  
Ain't seen the first match  
Since the drop of the ball  
Niggaz  
And one time for my niggaz locked up by the feds  
Behind that paper chase man  
It's free until they're free you niggaz  
The power of the dollar  
It's enough to shake the world that we're livin'  
You feel pain of it  
You feel pain of it  
Momma always used to tell me  
That it's changing me  
The power of the dollar  
Can't get it where I can't expect it  
I ain't the same  
Since it's a game  
I accept it  
I'll do anything, anything just to get that  
The power of the dollar  
It ain't nothin' but a Bentley to me

I've done crashed 6 of them motherfuckers  
Since Dr. Dre fuckin' sent them to me  
Compton, nigga, game is elementary  
Rappers die, rappers hide whenever they mention me  
My boss poetic  
Any nigga can get it  
Get that nigga 100 bucks  
Since my first night in the meds  
What's up? Remember boys in the hood stayin' on the porch?  
Nigga always had gang  
Whether the block or the court  
Glock in my shorts  
And I remember that time  
Take a shot to the dawn  
Here's one to your memory  
Yeah, here's one to your memory The power of the dollar  
It's enough to shake the world that we're livin'  
You feel pain of it  
You feel pain of it  
Momma always used to tell me  
That it's changing me The power of the dollar  
Can't get it where I can't expect it  
I ain't the same  
Since it's a game  
I accept it  
I'll do anything, anything just to get that  
The power of the dollar I can't take it  
I can't take it  
I'm just not the same no more  
All this money  
All this power  
Just keeps takin' over me Feel the power of the dollar  
Feel the power of the dollar
