# Between the Lines

## Beseech

Help me to get through my mission inside
Help me to respect who I am
Show me something real I understand
I wish that I could feel

[Chorus]
Read between the lines
And maybe you'll find out
What they are made of
Why they shine so bright

Help me to forget sunshine today
Help me find out where I am
I wasn't aware of the pain to come
I wish that I could feel

[Chorus]

Fly into the sun, but never touch the light

Read between the lines
And maybe you'll find out
What they are made of
Why they shine so bright
