

# Bat Country

## Short Stack

Well it's been a long night  
The chapel bells hit twelve and i feel alright  
And she was standing there and she said alright  
Well my boy i need some kicks show me some tricks  
And then we'll open up the sea  
Cause you amaze, you amaze me  
Yeah you amaze, you amaze me Oh, it's been a good life  
We're too gorgeous to die  
Well it's the good life  
Like pistol whips and knives, this shit's a gun fight  
So pin me to the wall and watch me fall into your arms and i am free  
Cause you amaze me, you amaze me  
Yeah you amaze, you amaze me And I want to love you  
I want to love you blue  
I want to do some horrid things with you  
So hold me closer  
And make me all I'll be  
Cause baby you  
You amaze, you amaze me  
Yeah you amaze, you amaze me Let's call it even  
You are a shooting star and I'm a demon  
Illuminate the sky, ignite the breathing  
Cause i am lack of air  
But i don't care  
It's how i fare  
It's how I'll be  
Cause you amaze me, you amaze me I want to love you  
I want to love you blue  
I want to do some horrid things with you  
So hold me closer  
And make me all I'll be  
Cause sugar you  
You amaze, you amaze me  
Yeah you amaze, you amaze me  
Yeah you amaze, you amaze me  
Yeah you amaze, you amaze me  
Yeah you amaze, you amaze me And everything is gonna be alright  
Yeah everything is gonna be alright, right  
Yeah everything is gonna be alright, right

Yeah everything is gonna be alright, right, right...
