I like this right here, yeah  
Bad boy and we wont stop  
Faith, '99We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if youre in the mood  
Do what you wanna do all night longHappy days are here  
So leave your cares behind  
Just relax your mind  
Its so easy to do itJust enjoy yourself if the feelings right  
Get your groove on tonight  
Take your time tonight, everythings all right  
Ain't nothing but a partyWe can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do all night longGet up on the floor  
Don't worry 'bout a thing  
Rhythm's got you now  
So come on, get into itJust enjoy yourself if the feeling's right  
Get your groove on tonight  
Take your time tonight, everything's all right  
Ain't nothing but a partyWe can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do all night longHave a good time  
Lay back, relax  
Just free your mind  
Let the music take control of youYeah, yeah, yeah, yeah, yeah  
If it's a hot then I must've did it  
If it's not then I wasn't with it  
Bad boy stay committedWhether Hip-Hop or R&B  
Featuring Faith Evans, co starring me, P. Diddy  
You know I got the key to your city

Unlock the door, rock some more Beats we lace, bad boy heat the place  
We run R&B too 'cuz we keep the faith  
Givin' the streets a taste, blaze the charts  
I remember In case you forgot, first Lady B making it hot  
Ain't nobody taking the spot  
Now it's Faith instead of pain  
Coming through with a better grain In the dash, cell phone better range  
Get the cash, stock paper for the whole four quarters  
Damn, some things never change  
You feel me? Let's make 'em dance, let's go  
Yeah, yeah, yeah, yeah, yeah We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do all night long Have a good time  
Lay back, relax  
Just free your mind  
Let the music take control of you We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do all night long We can dance, dance, dance  
Clap your hands, hands, hands  
All night, if you're in the mood  
Do what you wanna do all night long
