Right or Wrong

Lee Carr

Woah woah
Woah woahWhether I'm up in the club
Running in the streets (Streets)
If I get locked up
She the first one there for me, me
Yeah she let me right or wrong
She let me right or wrong
Yeah she let me right or wrong
She let me right or wrong
If I'm out there on the grind (Grind)
And gettin that dough (Dough)
She never get mad when I say "I gotta go"
Yeah she let me right or wrong
She let me right or wrong
Yeah she let me right or wrong
She let me right or wrong
Shawty got me like
Woahh woah woah
Woah woah
She loves me
She loves me
Shawty got me like
Woahh woah woah
Woah woah
She loves me
She loves me
I'm driving you insane
For a minute (For a minute)
But you're still the only one I know
That's really down for me (Down for me)
But you remain the same (The same)
From the beginning (Beginning)
That's why I know you deserve everything (Everything)
That you getNow I've always been the one
To say we were done
But I knew I would never leave (Never leave)
They said we wouldn't make it, said we wouldn't make it
And look how we're still a team (Still a team)
Babe, I know you're the one

Cause I know, we gon do our thing
Fo sho (Fo sho)
Look at the way we shine
We ain't gon paint a mine
Cause I know that she loves me
Even on the phone
For hours (For hours)
I'm wishin that you was here layin in the bed with me (Bed with me)
Takin off your clothes (Your clothes)
After we shower (After we shower)
But I only know that this is a fantasyNow I've always been the one
To say we were done
But I knew I would never leave (Never leave)
They said we wouldn't make it, said we wouldn't make it
But look how we're still a team (Still a team)
Babe, I know you're the one
Cause I know, we gon do our thing
Fo sho (Fo sho)
Look at the way we shine
We ain't gon paint a mine
Cause I know that she loves me
