

Girls Like U

blackbear

Give me your forever, or at least just for a while
Give me never ending, or at least give me a mile
 Give me happiness, or at least give me a smile
Give me forever for a while, give me forever for a while
 Quit actin' like a baby, or at least less like a child
 Give me serenity, or at least just peace of mind
 Give me closure, or at least a phone call
Give me forever for a while, give me forever for a while
 Swear to God I'm a sinner in a church, burnin' up for you
Swear to God she's a blessing and a curse, shoulda learned from you
 Swear to God I'm a sinner in a church, burnin' up in flames
 Swear to God, shoulda learned, shoulda learned
 To never, never, never
 Fuck with, fuck with
 Fuck with girls like you
 Fuck with, fuck with
 Fuck with girls like you
 Fuck with, fuck with
 Fuck with girls like you
 Fuck with, fuck with
 Fuck with, fuck with
 Fuck with, fuck with, fuck with
Give me your forever, or at least just for a while
Give me never ending, or at least give me a mile
 Give me happiness, or at least give me a smile
Give me forever for a while, give me forever for a while
 Quit actin' like a baby, or at least less like a child
 Give me serenity, or at least just peace of mind
 Give me closure, or at least a phone call
Give me forever for a while, give me forever for a while
 Swear to God I'm a sinner in a church, burnin' up for you
Swear to God she's a blessing and a curse, shoulda learned from you
 Swear to God I'm a sinner in a church, burnin' up in flames
 Swear to God, shoulda learned, shoulda learned
 To never, never, never
 Fuck with, fuck with
 Fuck with girls like you
 Fuck with, fuck with
 Fuck with girls like you
 Fuck with, fuck with

Fuck with girls like you
Fuck with, fuck with
Fuck with girls like, girls like
Swear to God I'm a sinner in a church, burnin' up for you
Swear to God she's a blessing and a curse, shoulda learned from you
Swear to God I'm a sinner in a church, burnin' up in flames
Swear to God, shoulda learned, shoulda learned
