## Rise Against

It kills me not to know this but I've all but just forgotten  
What the color of her eyes were and her scars or how she got them  
As the telling signs of age rain down, a single tear is dropping  
Through the valleys of an aging face that this world has forgotten  
There is no reconciliation that will put me in  
my place  
And there is no time like the present to drink these draining seconds  
But seldom do these words ring true when I'm constantly failing you  
Like walls that we just can't break through until we disappear  
So tell me now if this ain't love then how do we  
get out?  
'Cause I don't know  
That's when she said I don't hate you but  
I just want to save you while there's still something left to save  
That's when I told her I love you girl  
But I'm not the answer for the questions that you still have, whoa oh, whoa oh  
And the day pressed on like  
crushing weights  
For no man does it ever wait  
Like memories of dying days that deafen us like hurricanes  
Bathed in flames we held the brand, uncurled the fingers in your hand  
Pressed into the flesh like sand, now do you understand?  
So tell me now if this ain't love then how do we get  
out?  
'Cause I don't know  
That's when she said I don't hate you but  
I just want to save you while there's still something left to save  
That's when I told her I love you girl  
But I'm not the answer for the questions that you still have, whoa oh, whoa oh  
One thousand miles away, there's  
nothing left to say  
But so much left that I don't know  
We never had a choice, this world is too much noise  
It takes me under, it takes me under once again  
I don't hate you  
I don't hate you, no  
So tell me now if this ain't love then how do we get out?  
'Cause I don't know  
That's when she said I don't hate you but  
I just want to save you while there's still something left to save  
That's when I told her I love you girl  
But I'm not the answer for the questions that you still have, whoa oh whoa oh  
I don't hate you  
I don't hate you, whoa oh  
I don't hate you  
I don't hate you, no, whoa oh, whoa oh
