

# Back Where I Come From (Live)

[Kenny Chesney](#)

Well in the town where I was raised  
The clock ticks and the cattle graze  
Time passed with amazing grace  
Back where I come from

You can lie on a riverbank  
Or paint your name on a water tank  
Or miscount all the beers you drank  
Back where I come from

Back where I come from  
Is where when it's said and done  
And I'm proud as anyone  
That's where I come from

We learned in Sunday school  
Who made the sun through  
I know who made the moonshine, too  
Back where I come from

Blue eyes on a Saturday night  
Tan legs in the broad daylight  
TVs, they were black and white  
Back where I come from

Back where I come from  
Is where when it's said and done  
And I'm proud as anyone  
That's where I come from

Some say it's a backward place  
Narrow minds on a narrow wage  
But I make it a point to say  
That's where I come from

That's where I come from  
Where I'll be when it's said and done  
And I'm proud as anyone  
That's where I come from

Back where I come from  
I'm an old Tennessean  
And I'm proud as anyone  
That's were I come from
