Slipping Away

DIANA

Here comes the light
That I've desired
Drowning the dark
Why do I feel so terrified?Sick of this skin
Of choking on pride
Lost in the pressure of the moment
So much pleasure that's been stolenEverything I know is slipping away from me
No more resistance I can do without
I can do without
Everything I know is slipping away from me
No more resistance I can do without
I can do without
Let it go
Start again
Have I ever felt this pain?
Let it go
Start again
Have I ever felt this pain?Here comes the light searching for me
Drowning out the darkness that I live inside
Why do I try to hide?
Will I let it break me open?
There's a violence to this growing
Love tear me apart, tear me apart, tear me apart
Tear me apart, tear me apart, tear me apart, tear me apartEverything I know is slipping away from me
No more resistance I can do without
I can do without
Everything I know is slipping away from me
No more resistance I can do without
I can do without
Slipping away
Slipping awayI can let it go, let it go, let it go
I can let it go, let it go, let it go
I can let it go, let it go, let it go
I can let it go, let it go, let it go
Let it go
Start again
I can let it go, let it go, let it go
I can let it go, let it go, let it go
Let it go

Start again
I can let it go, let it go, let it go
I can let it go, let it go, let it go
Let it go
Start again
I can let it go, let it go, let it go
