

Stay Here While You're Gone

New Buffalo

Stay Here While You're Gone(New Buffalo EP)Completely unbroken

Away for a while
In a love that I was so dependent
On your belief
Such a seperate religion now
That I don't need to call on you
Anymore, anymoreLook inside and you will find
Your worries are hiding
Are the silent building scattered trees
So cozy then you're wear is
Choose to stay here while you're gone
Stay here while you're gone
Stay here while you're goneGive me a reason
Why you so of all
Such delights
Conversations so reassuring
On perfect nights
Sorry you spill such uncertain feelings
But I just missed the safest place I've ever know
Ever knowLook inside and you will find
Your worries are hiding
Are the silent building scattered trees
So cozy then you're wear is
Choose to stay here while you're gone
Stay here while you're gone
Stay here while you're gone
Stay here while you're gone
Stay here while you're gone
