

# Where's the Truth?

## No Fun At All

Where's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can youWhere's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can you seeI'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anywayWhere's the truth that I wanna find  
Where's the truth now can you, can you  
Where's the truth that I'll never find  
Where's the truth now can you, can you seeI'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anywayI'll keep on searching  
Hope I will find it someday  
I'll keep on searching  
Baby, won't help me anyway
