The Return

Therion

Strike at mother earth
No one will survive
Kill the human race
With radioactive airEgregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the natureWhen come the return
Of a clean nature?
Without all the weapons
Without war and painEgregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the natureWill it ever come?
Or must we die
In a holocaust
Or in a poisoned worldEgregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the natureDeath!!!
