

Fishnet Stockings

Brother Dan Palmer

Well my sweet baby wears fishnet stockings
When she starts a rockin' there ain't no stoppin'
Singin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockings
Well she's got a pair in pink, she's got a pair in red
When she puts the black ones she makes me loose my head
Singin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop baby there ain't no stoppin'
Rockin' with my baby in her fishnet stockings
One time Well she's got a pair in pink, got a pair in red
When she puts the black ones she makes me loose my head
Singin' wop bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockings
Rock it again now [Incomprehensible] well my sweet baby wears
fishnet stockings
When she starts a rockin' there ain't no stoppin'
Singin' wab bop a doo dop fishnet stockings
Shoo wop a doo dop when she's rockin'
Bop bop a doo dop there ain't no stoppin'
Rockin' with my baby in her fishnet stockings
