gotta a brother stressed out thinking bout you,
you gotta take it slowly.(Chorus)

won't be another heartbreak make me say uh oh you won't let it go,
won't be another heartbreak make me say uh oh you gotta take it slow,
won't be another heartbreak make me say uh oh roll with the flow,
won't be another heartbreak make me say uh oh i gotta let you know.(Verse 2)
you gotta trust the fact i'll be your one and only if you settle down stop putting this pressure on me.
i can't tell you what your wanting me to say,
i can't promise i'll be there on saturday.

not trying to hurt you why you wanna make me pay now,
you gotta take it slowly.(Chorus)

won't be another heartbreak make me say uh oh you won't let it go,
won't be another heartbreak make me say uh oh you gotta take it slow,
won't be another heartbreak make me say uh oh roll with the flow,
won't be another heartbreak make me say uh oh i gotta let you know.(Rap)

ma you saw the abs the jesus and the pad,
the platinum for the tab and the convertible cad and said, i got to wife him up hand cuff and life him up put a
rush on the boy before they swipe him up.

but you forgot i got a mind of my own,
home and grind on my own, no need to blow up my phone.
no need to circle my home i need some time on my own,
need to write and stay focused ma just leave it alone i'm gone.(Verse 3)

never met a tripped out women like you it's all lovely. gotta let me breathe just a little bit of room if you want
me.

don't tell me that you would do anything,
don't tell bout' your heart and what it means,
gotta a brother stressed out thinking bout you,
you gotta take it slowly.(Chorus)

won't be another heartbreak make me say uh oh you won't let it go,
won't be another heartbreak make me say uh oh you gotta take it slow,
won't be another heartbreak make me say uh oh roll with the flow,
won't be another heartbreak make me say uh oh i gotta let you know.
