

# Chasing Cars (live Itunes Festival)

## Ed Sheeran

We'll do it all, everything  
on our own  
we don't need anything  
or anymore

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?

I don't quite know  
how to say  
how I fell

Those three words  
Are said to much  
They're not enough

If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?

Forgete what we're told  
before we get too old  
Show me a garden  
That's burstind into life

Let's waste time  
chasing cars  
around our heads

I need your grace  
to remind me  
to find my own

If I lay here  
If I just lay here  
Would you lie with me

And just forget the world?

Forget what we're told  
before we get too old  
Show me a garden  
That's bursting into life

All that I'am  
All that I ever was here in  
your perfect eyes  
They're all I can see

I don't know where  
Confused about how as well  
Just know that these things  
Will never change for us at all

If I lay here  
If I just lay here  
Would you lie  
with me  
And just forget the world?
