

A Touch Of Paradise

John Farnham

Flamingos walk and sway in peace
Seeing this, it makes my troubles cease
The sun is hiding, leaving a pink scar
That stretches right across the sky
That's all we've seen so far
And all I do is look into your eyes
For that special touch of paradise
Just a touch, a touch of paradise
Just a special touch of paradise
You hold my hand that's when we kiss
And it doesn't take long no, no, for me to get the gist
Of this love that stretches out across the land
Where rainbows flash, as we're walking in the sand
And all I do is look into your eyes
For that special touch of paradise
Just a touch, a touch of paradise
Just a special touch of paradise
A touch of spring and autumn sweet
Well, the trees vibrate when our eyes meet
And I think of all the love that we have been making
You touch my hand and I walk off shaking
And all I do is look into your eyes
For that special touch of paradise
Just a touch, a touch of paradise
Just a special touch of paradise
Just a touch, a touch of paradise
Just a special touch of paradise
Just a touch, a touch of paradise
Just a touch, a touch of paradise, yeah
Just a special touch of paradise, oh shall we
Just a touch, a touch of paradise
Just a touch, a touch of paradise, yeah
Just a special touch of paradise, oh shall we
Just a touch, a touch of paradise
[Shall we, shall we]
