

# Stealing Love

## Judy Boucher

Stealing love...

You held me in your arms and made love to me.

Fueled my hearts' desire,

Your lips caressed me

Your body possessed me

Now i'd keep you if I could

If time would stand still and leave us two this way

you know what

I'll be satisfied being here with you

you set my mind on fire

anytime you're near

my body and soul belongs to you

oh don't ever say we're through

we're stealing love on the side

we're stealing love on the side

you don't belong to me

I don't belong to you

still we're together

if that's enough for you

it's enough for me.

Your time is here

and you've got to leave

and go home to your family.

and your woman, she'll be waiting, there for you

oh lord knows

there's no explaining the love we share

it's just between us to

you can't stay away from me

I can't stay away from you

honey we belong and right now

we're stealing love on the side

stealing love on the side

you don't belong to me

I don't belong to you

still we're together

if that's enough for you it's enough for me

we're stealing love on the side, stealing love on the side you don't belong to me, I don't belong to you, still we're together, if that's enough for you oh it's enough for me.
