Some Humans Ain't Human

John Prine

Some humans ain't human
Some people ain't kind
You open up their hearts
And here's what you'll findA few frozen pizzas
Some ice cubes with hair
A broken popsicle
You don't wanna go thereSome humans ain't human
Though they walk like we do
They live and they breathe
Just to turn your old screwThey screw you when you're sleeping
They try to screw you blind
Some humans ain't human
Some people ain't kindYou might go to church
You sit down in a pew
Those humans who ain't human
Could be sittin' right next to youThey talk about your family
They talk about your clothes
When they don't know their own ass
From their own elbowsJealousy and stupidity
Don't equal harmony
Jealousy and stupidity
Don't equal harmonyHave you ever noticed?
When you're feeling really good
There's always a pigeon
That'll come shit on your hoodOr you're feeling your freedom
And the world's off your back
Some cowboy from Texas
Starts his own war in IraqSome humans ain't human
Some people ain't kind
They lie through their teeth
With their head up their behindYou open up their hearts
And here's what you'll find
Some humans ain't human
Some people ain't kind
