

A Heart Like Mine

Dwight Yoakam

I saw you coming, you saw me
And took off running
Shells in your eyes,
What such sweet disguise
I wonder why, you never try
To understand a heart like mine Whoa I didn't waste the time
'Cause a love, so hard to find
So is what you see
You're in love, belong to me
Oh I, I wonder why, you never try
To understand a heart like mine Oh I, I wonder why, you never try
To understand a heart like mine
Whoa I wonder why, you never try
To understand a heart like mine A heart like mine, a heart like mine
A heart like mine,
A heart like mine
A heart like mine, a heart like mine
A heart like mine, a heart like
A heart, a heart like
A heart, a heart like
A heart, a heart, a heart like mine
