

The Point of No Return

[Andrew Lloyd Webber](#)

Advisory - the following lyrics contain explicit language:

Past the point of no return, no backward glances
The games we played 'til now are at an end
Past all thought of 'If' or 'When', no use resisting
Abandon thought and let the dream descend
What raging fire shall flood the soul?
What rich desire unlocks its door?
What sweet seduction lies before us?
Past the point of no return, the final threshold
What warm unspoken secrets will we learn?
Beyond the point of no return
You have brought me to that moment where words run dry
To that moment where speech disappears into silence, silence
I have come here hardly knowing the reason why
In my mind I've already imagined our bodies entwining
Defenseless and silent and now I am here with you
No second thoughts, I've decided, decided
Past the point of no return, no going back now
Our passion play has now at last begun
Past all thought of right or wrong, one final question
How long should we two wait before we're one?
When will the blood begin to race
The sleeping bud burst into bloom?
When will the flames at last consume us?
Past the point of no return, the final threshold
The bridge is crossed, so stand and watch it burn
We've passed the point of no return
Say you'll share with me one love, one lifetime
Lead me, save me from my solitude
Say you'll want me with you here beside you
Anywhere you go let me go too, Christine that's all I ask of
What is it? What has happened? Ubaldo
Oh my God, my God
We're ruined Andre, ruined
Monsieur Le Vicomte, come with me
Oh my darling, my darling, who has done this?
You why, did you let this happen?
Monsieur Le Vicomte I know where they are
But can I trust you? You must but remember your hand at the level of your eyes
But why?
Why? The Punjab Lasso monsieur First Bouquet now Piangi
Like this monsieur, I'll come with you

No Meg, no, you stay here
Come with me monsieur, hurry or we shall be too late
