My Old Ways

The Plot In You

Trapped in my old ways
Can't seem to break free from anything
Cause this is all that I've ever known
And I'm afraid it won't let me goDrugged you down
Took you away from everyone that ever loved you
Fooled the crowd
And made 'em believe that I was real
But you always knewI know I'm late
But I hope you know
I'd kill to keep you safe
If you love me
Then I beg that you just leave
Forget my nameTrapped in my old ways
Can't seem to break free from anything
Cause this is all that I've ever known
And I'm afraid it won't let me goLet me go
I'm afraid, I'm afraid it won't let me go
Let me go
I'm afraid, I'm afraid it won't let me goAll the pills
All the money
All the pain
Living consequences breathing just to take the blame
I was wrong, I was wrong
I can see so clearly
Made myself look like a fool
And now you only fear meFighting to change
God only knows I've been living in agony
I pushed you all awayI'm trapped in my old ways
Can't seem to break free from anything
Cause this is all that I've ever known
And I'm afraid it won't let me goLet me go
I'm afraid, I'm afraid it won't let me go
Let me go
I'm afraid, I'm afraid it won't let me go
Just let me goItching, scratching
My blood's so thin
The fucking ceiling spins
It's clouding every thought and stripping everything away from me
Crawling desperately

It's got me trapped and living in agonyTrapped in my old ways
Can't seem to break free from anything
Cause this is all that I've ever known
And I'm afraid it won't let me goLet me go
I'm afraid, I'm afraid it won't let me go
Let me go
I'm afraid, I'm afraid it won't let me go
Let me go, let me go
