

Alcoholin' Ass

Hellyeah

Come on, a little bit of sunshine
A little bit of booze
A little bit of me
And a little bit of you A little bit country
A little bit of blues A little slice of heaven
And a little piece of you, come on Alcoholin' ass
Pour another drink in my glass
Alcoholin' ass
Alcoholin' ass A little bit thirsty
A little bit used
A little bit of whiskey
And a little pinch to chew A little bit tired
And a bad attitude
A little bit of drinkin'
And another piece of you Alcoholin' ass
Pour another drink in my glass
Alcoholin' ass
Alcoholin' You drove me to it, so there was nothing I could do
You pushed me down, split me right in two
Now I found the long hard road carried the weight of you
Boy, oh, boy, God damn, there's only one thing left to do A little bit of alcoholin' ass
Pour another drink in my glass
Alcoholin' ass, there's only one thing left to do A little bit of alcoholin' ass
Pour another drink in my glass
Alcoholin' ass
Alcoholin' ass
