

Everlasting Everything

Grey Reverend

Everything alive must die
Every building built to the sky will fall
Don't try to tell me my
Everlasting love is a lie
Everlasting, everything
Oh, nothing could mean anything at all
Every wave that hits the shore
Every book that I adore
Gone like a circus, gone like a troubadour
Everlasting love forever more

Everlasting, everything
Oh, nothing could mean anything at all
Oh, I know this might sound sad
But everything goes both good and the bad
It all adds up and you should be glad
Everlasting love is all you have
Everlasting, everything
Oh, nothing could mean anything at all
Everlasting, everything
Oh, nothing could mean anything at all
