## Family

Leroy... and his Campus Queen, what she means, what she means Leroy was a cat, always knew just where he sat

In his rise up to riches and fame  
The chick that he'd choose, would have dollars to lose  
And a love, lotsa love in her heart for his name  
One girl that he'd seen was the Campus Queen  
She had looks and her Daddy had lotsa loot  
So he made her his aim, in his heartless game  
He had looks, he had nerve, boy was he cute  
He craved a FLAT TOP WINNER, WITH A 2 SPOT DIMMER  
And a roof that rolled back for the sun  
Then add a V-8 HOOD, LOTSA CHROME ON THE HUB  
SPEED that says 160 and some, ah that's fast  
With his charm and his poise, he out classed all the boys  
In the race for her hand he secured  
He met her Mum face to face, now she adored all his grace  
His place at their table was assured  
"My boy" said her Pa, "Now what you need is a car, call me Dad  
Gee whizz, you're my son"  
Get a 2 toned flyer, with white walled tyres, and a gas tank  
You make sure it's got plenty of gun(REPEAT CHORUS x 3)
