

# Livin' on Love

Alan Jackson

Two young people, without a thing  
Say some vows and spread their wings  
And settle with just what they need  
Living on love  
She don't care 'bout what's in style  
She just likes the way he smile  
It takes more than marvel and time  
Living on loveLiving on love, buying on time  
Without somebody nothing ain't worth a dime  
It's like that old fashioned storybook rhyme  
Living on love  
It sounds simple that's what you're thinking  
Love can walk through fire without blinking  
It doesn't take much, when you get enough  
Living on loveTwo old people, without a thing  
Children gone but still they sing  
Side by side on that front porch swing  
Living on loveHe can't see anymore  
She can barely sweep the floor  
Hand in hand they walk through that door  
Just living on loveLiving on love, buying on time  
Without somebody nothing ain't worth a dime  
It's like that old fashioned storybook rhyme  
Living on love  
It sounds simple that's what you're thinking  
Love can walk through fire without blinking  
It doesn't take much, when you get enough  
Living on loveLiving on love, buying on time  
Without somebody nothing ain't worth a dime  
It's like that old fashioned storybook rhyme  
Living on love  
It sounds simple that's what you're thinking  
Love can walk through fire without blinking  
It doesn't take much, when you get enough  
Living on love  
No, It doesn't take much, when you get enough  
Living on love
